We, Hyclone Life Sciences Solutions India Pvt. Ltd., a part of Cytiva (Formerly GE Healthcare Life Sciences), would like to bring to your attention the following registered Trademark in India, which is owned by

Whatman™

The above mark has been registered in respect of "Chemical products used in science and industry and test papers (chemical) in Class 1", "Scientific instruments and apparatus included in class 9" and "paper and paper articles included in Class 16". The Trademark Whatman™ has acquired a very high reputation and goodwill by virtue of long, extensive and continuous use. The said Trademark is associated and identified exclusively with the goods manufactured by Cytiva entities and marketed in India by Hyclone Life Sciences Solutions India Pvt. Ltd.

It has from time to time come to the notice of Cytiva and Hyclone Life Sciences Solutions India Pvt. Ltd., that some other persons occasionally try to manufacture and sell spurious goods under the above Trade Mark without our consent or authority, and by making their products and packaging look like products manufactured by Cytiva. In certain cases, Whatman™ filter paper specifications and the grading notations similar to Whatman™ are being used to misguide the trade and public. This is considered objectionable to Cytiva International Ltd and Hyclone Life Sciences Solutions India Pvt. Ltd who have taken action successfully against some traders in India for selling spurious goods. The spurious goods were seized and destroyed, and damages were recovered.

We want to bring the above to your attention so that you are not misguided in your trade relating to Whatman™ products. Further, we wish to encourage you to write to supportdesk.india@cytiva.com in an event you come across any spurious products bearing Whatman™ trademark.

Yours Sincerely,

For Hyclone Life Sciences Solutions India Pvt. Ltd.

A handwritten signature in black ink, appearing to read "Sharad Singh".

SHARAD SINGH
SALES LEADER, WHATMAN – CYTIVA

Successful action by Wipro GE Healthcare (now Cytiva*) against Whatman counterfeiter

We would like to bring some recent facts to your attention about the Whatman™ registered Trade Mark in India. Whatman™ range of products have been a preferred choice of filter papers across industry and academia, acquired a very high reputation over time by virtue of its quality.

The Whatman™ Trade Mark is associated and identified exclusively with the goods manufactured by Cytiva. From time to time, it has come to our notice the practice of manufacturing and selling spurious goods under the Whatman™ Trade Mark without consent or authority.

We are happy to inform you that we took successful action against some parties in India for selling spurious goods. The recent Judgement by Honorable Delhi High Court in favor of Whatman awarding damages against the defendants for Trade Mark infringements stands testimony to this.

We wish to encourage you to write to us at supportdesk.india@cytiva.com for any feedback and in the event, you come across any spurious products bearing Whatman™ Trade Mark. Thank you for your continuous support for the Whatman™ range of products.

*Danaher Corporation completed acquisition of GE Healthcare Life Sciences, now known as Cytiva.

HC awards Rs 3.85 cr damages to UK firm for trademark infringement

PTI | Updated: April 04, 2020 18:01 IST

New Delhi, Feb 4 (PTI) The Delhi High Court has awarded 3.85 crore to UK-based Whatman International Ltd in damages for its trademark infringement by various persons here who were selling infringed products.

The court said the conduct of defendants was wrong and they have committed infringement of the company's mark and impinged on its rights deliberately, consciously and wilfully for over 25 years.

"Repeated legal action has not deterred them. They showed no remorse in the statements recorded... The present is a case for award of aggravated, punitive damages," Justice Prathiba M Singh said.

The court directed them to pay the amount to the company within three months. It also held them guilty of contempt of court order and listed the matter for March 5 for

HC awards Rs 3.85 cr damages to UK firm for trademark infringement

New Delhi, Feb 4 (PTI) The Delhi High Court has awarded 3.85 crore to UK-based Whatman International Ltd in damages for its trademark infringement by various persons here who were selling infringed products.

The court said the conduct of defendants was wrong and they have committed infringement of the company's mark and impinged on its rights deliberately, consciously and wilfully for over 25 years.

"Repeated legal action has not deterred them. They showed no remorse in the statements recorded... The present is a case for award of aggravated, punitive damages," Justice Prathiba M Singh said.

The court directed them to pay the amount to the company within three months. It also held them guilty of contempt of court order and listed the matter for March 5 for leaving arguments on the point of penalisation to be decided later.

Whatman had approached the high court seeking to restrain the defendants, various persons belonging to the same family, from infringing its trademark.

The company, in its plea through advocate Prathiba Anand, said it was founded by Josiah Whatman in 1749 and it was the owner of the mark 'Whatman'.

What's new?

Whatman™ folded filter paper

Ready to use filtration solutions

Whatman™ filtration solutions from Cytiva offers folded filter papers in ready to use formats to support your application needs, saving valuable time and providing ease of use when undertaking repetitive or multiple analysis.

Whatman™ cellulose filters are manufactured from high-quality cotton linters which have been treated to achieve a minimum alpha cellulose content of 98%.

Advantages of using pre-folded filter papers

- **Valuable time savings** - Savings in time required to fold circles to fit conical filter funnels
- **Decreased overall filtration time** - Because of the extra surface area exposed; the normal slowdown of filtration speed due to the loading of particulate is postpone
- **Ease of use pre-folded** - Pyramid filter papers are made available in stacks for easy handling during repetitive/multiple analyses
- **More loading capacity** - Increased total loading capacity as more filter area is available
- **Affordable** - Save on the cost by eliminating wastage of filter papers while cutting out filter papers to fit conical funnels
- **Results** - The pyramid fold does not significantly affect any of the technical data and the same figures may be used for the flat circles

**For pricing on
folded filter papers,
